He's using the most reliable weapon a Soldier can own.

It isn't a rifle. It isn't a pistol. It's not even a knife. It is knowledge; knowledge that can empower you to be the best at what you do.

Through the U.S. Army Combat Readiness Center and a collection of Composite Risk Management, or CRM, tools, practices, and assessments, you can learn to be more aggressive by making better-informed risk decisions.

Knowledge is the most reliable weapon you can own.

Engage it to the fullest.

OUTSMART THE ENEMY

Knowledge is your greatest weapon.
